

COMMONWEALTH OF KENTUCKY
 COUNTY OF Perry
 ORDINANCE NO _____

AN ORDINANCE PERTAINING TO COST RECOVERY FOR RESPONSE TO HAZARDOUS MATERIAL RELEASES IN PERRY COUNTY AND ITS CITIES.

WHEREAS, the Fiscal Court of Perry County, Kentucky, desires to establish and implement standard procedures to recover costs and expenses incurred by Perry County, or any agent of Perry County, including the HAZMAT TEN Regional Hazardous Materials Response Team, mutual aid providers, and other local public safety or emergency services agencies that respond to a release or threatened release of any hazardous material in Perry County and its cities.

NOW, THEREFORE, BE IT ORDAINED BY THE FISCAL COURT OF PERRY COUNTY, KENTUCKY, the following "Perry County Hazardous Material Cost Recovery Ordinance."

SECTION I: PURPOSE

Pursuant to the authority of KRS 39B,070(2) and KRS 67.083 *et seq.* this ordinance is adopted by the Fiscal Court of Perry County for the purpose of requiring the timely payment or reimbursement, by any parties responsible for a release or threatened release of any hazardous material in Perry County, and its cities, of all costs incurred by Perry County or any agent of Perry County, including the HAZMAT TEN Regional Hazardous Materials Response Team, mutual aid providers, and other local public safety or emergency services agencies, in responding to a release or threatened release of any hazardous material.

SECTION II: DEFINITIONS

As used in this ordinance, unless the context clearly requires otherwise:

- A. "Costs" means all expenses incurred by Perry County or any agent of Perry County, including the HAZMAT TEN Regional Hazardous Materials Response Team, mutual aid providers, and other local public safety or emergency services agencies in responding to a release or threatened release of a hazardous material. The term includes, but is not limited to, expenses for salaries and personnel benefits of employees who respond to a hazardous material release or threatened release, including lost wages of volunteer personnel; the expenses incurred to replace materials, supplies, vehicles, and equipment expended or contaminated or damaged in response to a release or threatened release of a hazardous material; expenses incurred to properly clean-up, restore, or dispose of contaminated vehicles, equipment, supplies, and materials involved in response to a release or threatened release of a hazardous material; the logistical expenses incurred for

food, lodging, utilities, fuel, services, sanitation, medical surveillance or treatment, evacuation, and rental; and other personnel, health, medical, safety operating, support, logistical, maintenance, or administrative expenditures made to support the response to a release or threatened release of a hazardous material, including any legal expenses incurred in recovering costs as described in this ordinance.

- B. "Fixed facility" means any building, structure, installation, storage container, equipment, pipe, or pipeline (including any pipe into a sewer or publicly-owned treatment system), well, pit, pond, lagoon, impoundment, reservoir, ditch, landfill site, or immobile vessel where a hazardous material is stored, deposited, disposed of, abandoned, placed, or otherwise is located. Consumer products as defined in 15 U.S.C. & 2052, in consumer use and vessels, are not included.
- C. "Handler" means a person that stores, maintains, treats, processes, uses, generates, disposes of, transports, controls, manages, or otherwise possesses a hazardous material.
- D. "Hazardous Material" means a substance (gas, liquid, solid, or semi-solid) capable of creating harm to people, property, and the environment, including but not limited to, any element, commodity, compound, chemical, substance, mixture, waste, or any combination thereof, that is toxic, flammable, explosive, incendiary, corrosive, radioactive, and oxidizer, organic peroxide, an etiological or biological agents, carcinogenic, or highly reactive when mixed with other substances.
- E. "Mobile carrier" means motor vehicles, cargo tanks, box trailers, rolling stock, rail tank cars, locomotive engines, aircraft, barges, boats, or other motorized vehicles or commodity containers used in transportation of a hazardous material.
- F. "Owner/Operator" means a person who owns or operates a fixed facility or a person that owns or operates a mobile carrier as well as any person vested with proprietary or decision-making authority over a fixed facility or mobile carrier.
- G. "Person" means an individual, trust, firm, business, corporation, joint stock, company, partnership, consortium, association, cooperative, joint venture, city, county, special district, a state or any department or agency thereof, the United States of America or any department or agency thereof, or other commercial or legal entities.
- H. "Release" means any accidental or intentional, unauthorized or non-permitted spilling, leaking, pumping, pouring, emitting, escaping, emptying, discharging, injecting, leaching, dumping, or disposing of a hazardous material into or on any site, surface, land, air, water, well, river, lake, reservoir, stream, creek, ditch, sewer, pipe, drainage basin, or other area.

- I. "Response" means any actions taken to ensure the preservation and protection of public health, safety, welfare, and the environment, including but not limited to, any mitigation, logistical, remedial, and supporting measures required to safeguard emergency responders, the public, and the environment.
- J. "Responsible party" means any person possessing or controlling a hazardous material at the time of a release, or threatened release, of the hazardous material.
- K. "Threatened release" means a factor or circumstance that presents a substantial threat of a release.

SECTION III: COST RECOVERY STANDARDS

- A. Any person, owner/operator, handler, or other responsible party, that causes or is otherwise responsible for a release or threatened release of a hazardous material that requires or results in a response to the release or threatened release and the expenditure of public funds in executing the response to the release by Perry County or any agent of Perry County, including the HAZMAT TEN Regional Hazardous Materials Response Team, mutual aid providers, and other local public safety or emergency services agencies in Perry County, shall be liable to Perry County for all recoverable costs as outlined herein below and incurred by Perry County, the HAZMAT TEN Regional Hazardous Response Team, mutual aid providers, and other local public safety or emergency services agencies in Perry County to include any protective, mitigation, remedial and recovery actions taken in the response.
- B. In the event of a release of a hazardous material, or a threatened release of a hazardous material, being transported in or otherwise involved in transportation or transit in Perry County and its cities, the handler, the shipper or carrier, the owner/operator of the hazardous material, and any other responsible party, jointly and severally, shall be responsible for all costs incurred by Perry County and any agent of Perry County, including the HAZMAT TEN Regional Hazardous Materials Response Team, mutual aid providers, and any other dispatched local public safety or emergency services agencies in Perry County and its cities in responding to the release or threatened release.
- C. At the direction of the Perry County Fiscal Court, the director of the Perry County office of Emergency management, on behalf of Perry County, is hereby authorized and directed to prepare and submit all bills of claim to any owner/operator, carrier, shipper, handler, or other responsible party for payment for reimbursement of all recoverable costs incurred as described in this ordinance.
- D. At the directing of the Perry County Fiscal Court, the County Attorney of Perry County is hereby authorized and directed to initiate such proceedings, in the name of Perry County, in any court having jurisdiction over such matters as are necessary to recover the costs incurred as described in this ordinance.

SECTION IV: LIEN CREATED, SEIZURE, IMPOUNDMENT

- A. All releases or threatened releases of any hazardous material, including a release or threatened release of a hazardous material involved in transportation or transit or a release or threatened release of a hazardous material at a fixed facility, shall be considered a public health hazard in Perry County. For the purpose of securing all recoverable costs incurred in executing a response to any hazardous material release or threatened release by Perry County and any agent of Perry County, including the HAZMAT TEN Regional Hazardous Materials Response Team, mutual aid providers, and any other dispatched local public safety or emergency services agencies in Perry County and its cities, the Perry County Fiscal Court shall have, and there is hereby created, a lien against the real or personal property in Perry County possessed by the owner/operator, handler, or any other responsible party or person. The affidavit of the Perry County Judge/Executive shall constitute prima facie evidence of the amount of the lien and it shall be recorded in the office of the Perry County Clerk. The lien shall be notice to all persons from the time of its recording and shall bear interest thereafter at the rate of twelve percent (12%) until paid. The lien created shall take priority over all other subsequent liens, except 134.420, and may be enforced by judicial proceeding. The owner of property upon which a lien has been attached under this ordinance shall also be personally liable for the amount of the lien, including all interest, civil penalties, and other charges and Perry County shall have the same remedies as provided for the recovery of a debt owed.
- B. The lien shall be enforced upon the filing of an action in the Perry County Circuit Court naming all persons with a security or other interest in the real or personal property to which the lien is attached.
- C. As to any moveable personal property or mobile carrier located in Perry County, Kentucky, including, but not limited to, any tilted motor vehicle, trailers attached thereto, vessels, cargo tanks, locomotive engines, rail tank cars, rolling stock, and other equipment used to store or transport a hazardous material, the Perry County Fiscal Court may effectuate or order the seizure or impoundment of such property pending enforcement of the lien by the Perry County Circuit Court. In addition, the Perry County Sheriff's Office may order impoundment to preserve such property as evidence.

SECTION V: RESPONSE STANDARDS

- A. Response to a hazardous material release or threatened release within the geographical boundaries of Perry County by Perry County and any agent of Perry County, including the HAZMAT TEN Regional Hazardous Materials Response Team, mutual aid providers, and any other dispatched local public safety or emergency services agencies in Perry County and its cities shall be conducted in

accordance with provisions of the Perry County Emergency Operations Plan, response agency SOP's and the terms of written mutual aid agreements approved by the Perry County Fiscal Court. The owner/operator or handler of the hazardous material involved in a released or threatened release, or other responsible party, shall assume responsibility to Perry County and any agent of Perry County, including HAZMAT TEN Regional Hazardous Materials Response Team, mutual aid providers, and any other dispatched local public safety or emergency services agencies in Perry County and its cities for all costs incurred in responding to the release or threatened release, including costs associated with execution or implementation of the Perry County Emergency Operations Plan, response agency SOP's, and the terms of written mutual aid agreements approve by the Perry County Fiscal Court.

- B. In the event Perry County or any agent of Perry County, including the HAZMAT TEN Regional Hazardous Materials Response Team, mutual aid providers, and any other dispatched local public safety or emergency services in Perry County and its cities respond to a release or threatened release outside of the geographical boundaries of Perry County under the terms and conditions of written mutual aid agreements approved by the Perry County Fiscal Court, the owner/operator, or handler of the hazardous material involved in the release or threatened release, or other responsible party, shall assume responsibility to Perry County and any agent of Perry County, including the HAZMAT TEN Regional Hazardous Materials Response Team, mutual aid providers, and any other dispatched local public safety or emergency services agencies in Perry County and its cities for all costs incurred in responding to the release or threatened release, including costs associated with execution or implementation of the Perry County Emergency Operations Plan, response agency SOP's and the terms of written mutual aid agreements approved by the Perry County Fiscal Court.
- C. At the direction of the Perry County Fiscal Court, the County Attorney of Perry County is hereby authorized and directed to initiate such proceedings against the owner/operator, or handler, or other responsible party, or other public or private entity, in the name of Perry County, in any court having jurisdiction over such matters as are necessary to recover the cost incurred as described in this ordinance.

SECTION VI: SEVERABILITY

If any provision or section of this ordinance or the enforcement of such provision section is held to be invalid or unenforceable by court of competent jurisdiction, such invalidity or unenforceability shall not affect or render invalid or unenforceable any other provision or section
