

PUBLIC NOTICE
WENDELL H. FORD AIRPORT PHASE 1
(CHAVIES SEWER EXTENSION) PROJECT

To all interested citizens of [Perry County](#), Kentucky:

The Perry County Fiscal Court is applying for federal and state grants to do a public infrastructure project to include construction of sewer lines, lift stations and associated apparatuses in the Chavies Community of Perry County, Kentucky. The project impact area is along KY Highway 28 beginning at Haddock Fork Road and extends to KY Highway 15 intersection in Perry County, Kentucky.

The Chavies Sewer Extension Project will provide a public sewer service to households and businesses in the project impact area that were impacted by the July 2022 flood. Many of the individual septic tanks and lines were damaged by the flooding event and leak into ground water and surface water creating health hazard and environmental contamination.

The Perry County Fiscal Court is applying for up to \$3,000,000 in Community Development Block Grant – Disaster Recovery (CDBG-DR) funds for the project.

At least 51% of the proposed CDBG-DR funding will benefit low-to-moderate (LMI) persons. It is anticipated the percentage will be higher but the goal is at minimum to meet 51%.

The Perry County Fiscal Court has successfully utilized CDBG funding in the past for infrastructure and economic development projects. Specific information regarding these projects can be provided upon request.
